

## ***Buffalo Nickels & Roosevelt Dimes***

*Buffalo nickels & Roosevelt dimes  
Legends, ghosts from the past  
& token signs  
My ghosts demand payment,  
It's tallied up with my lost time  
Just like Buffalo nickels & Roosevelt dimes*

*Her voice was full of money—  
Out on a hot spending spree.  
I know I should hate the weakness—yes,  
But not me.*

*(chorus)*

*Another priceless gift,  
or another fools contest?  
I know a bitter love can turn to  
A living hell.*

*Climb down those cliffs on Wall Street--  
Shackin' in her Blue Canyon  
A lust for gold, or golden lust  
Can turn—any man.*

*(chorus)*
