

Lauri Lie

*You don't have to tell me that you love me;
You don't have to say anything.
But what's that look in your eyes, Lauri Lie.*

*You don't have to hold me late at night;
You don't have to whisper my name,
But what's that look in your eyes, Lauri lie.*

*Climbing over rocks,
Dancing in the treetops...
I'm swaying and swaying and praying, Lauri lie.*

*Now, once kissing, twice shy
I'm just looking for wonders and signs, Lauri lie.*

*You don't have to tell me that you love me;
You don't have to say anything.
Lauri lie, Lauri lie, Lauri lie....*
