

## ***Saga on the Side***

*I bumped Ilene in the parking lot,  
but what I got was  
minor damage,  
'til that girl caught, my little  
heart,  
with her eyes.*

*My girl Joni's waiting at home  
I'm not supposed to take up  
the advantage,  
and if I don't show--  
I'll catch the saga on the side.*

*(chorus)*

*I want my breathless heart  
to feel something new,  
want my restless heart  
to feel the earth move,  
I want my heart to go--  
ooooooh.*

*Kathy nudged Ilene way, way out,  
she has clout when it comes  
to lovin'  
she's so devout,  
the girl tears me up inside.*

*(chorus)*

*Pam was good & she had the  
lock,  
'til Kathy knocked and I  
hit double,  
It was all shot, when the both  
stepped up eye to eye.*

*So Kathy split and Pamela's  
gone,  
now there's none for me  
to juggle,  
and now I miss Joan...  
I want my saga on the side*

*(chorus)*

*'Cept when Pam scoots into town,  
comes around for some turtle  
dovin',  
that's when I know I'm bound  
for my saga on the side.*
