

Stealin' Sugar

*Stealin' sugar in the summer time;
When she comes over it's sugar tine.
She's got the creamy eyes;
She's got the puddin' pie—
Kisses for me; she's as sweet as can be.*

*Stealin' sugar in the blue sunshine;
Sugar Beach in the summertime.
She's got the cocoa hips;
She's got vanilla lips—
Kisses for me; she's as sweet as can be.*

*Now I don't want no Splenda
Don't like no NutraSweet
Just want that pure sugar Kayne candy.*

*Stealin' sugar in the summer time;
When she comes over it's sugar tine.
She's got her hands in my hair;
She's got her lips everywhere—
Kisses for me; she's as sweet as can be.*
